

## What we do

Neami National is a community mental health service supporting people living with mental illness for over 25 years.

With our understanding of complex mental health issues, our staff can help support you through the NDIS process and connect to the services that will help you live the life you want.

## Neami NDIS Services

Neami's NDIS services in WA include:

- Coordination of supports
- Support services
- Specialist Services.

## Engaging Neami as your NDIS provider

Once you have confirmed your eligibility for NDIS, you will work with your Service Coordinator to select your services. Talk to coordinator about choosing Neami as your provider of Specialist Services.

For further information on any of our services please contact us on **08 6252 0420** or [ndis.wa@neaminational.org.au](mailto:ndis.wa@neaminational.org.au)

## Find out more - contact Neami NDIS services

Contact the Neami Bentley office to find out more about your NDIS options.

### About Neami National

Neami National is a community mental health service supporting people to improve their health, live independently and pursue a life based on their strengths, values and goals.

### Our vision

Full citizenship for all people living with a mental illness in Australian society

### Our mission

Improving mental health and wellbeing in local communities

[www.neaminational.org.au](http://www.neaminational.org.au)

*We acknowledge Aboriginal people as the traditional owners of the land we work on and pay our respects to their elders past and present.*

*We welcome and appreciate diversity in all its forms, including staff and consumers. We believe diversity makes our teams, services and organisation stronger.*

and Wellbeing

## Mental health specialists

With our understanding of complex mental health concerns, our staff are able to support you through the NDIS process.

Our local staff are highly trained in mental health recovery. We also have staff with a wide range of complementary qualifications including Occupational Therapy, Nursing, Psychology, Social Work and Public Health.

We work with people with diverse backgrounds and welcome Aboriginal and Torres Strait Islander, LGBTIQ, and CALD communities.

Whatever your goals, our specialist staff can help you to achieve the life you want.

## Our specialist services

With over 25 years experience in mental health across Australia, we are specialists in mental health recovery. We understand and can support your unique mental health needs.

We believe recovery is an individual process and that with the right kind of support each person can move towards a life that matches their values and goals for the future.

Our specialist services can support you with:

- Individual functional and behavioural assessments
- Behaviour management plans and training in behaviour management strategies
- Specialist behavioural intervention support
- Occupational Therapy
- Specialist individual support
- Employment related assessments.
- Group therapy including our specialist groups to assist in your mental health recovery.

## Working as part of your support team

Our staff work alongside your clinical team to support your recovery journey.

We have experience working with a range of other service providers that may be part of your NDIS support team including:

- Psychiatrists and Psychologists
- General practitioners and community healthcare providers
- Allied Health including dental, physiotherapy and podiatry
- Community services such as alcohol/drug treatment, disability, housing, family violence and other community services
- Training, education and employment services
- Parenting supports.
